He caught touchdown passes in four straight games and had two at Georgia.</p> <p>This season Boone has been our #1 receiver. He more or less singlehandedly gave us the potential win against LSU this year. He had several beautiful TD passes this season, but also made many difficult flying grabs for big first downs in tough situations.</p> <p style="text-align: right;">IP: Logged</p>

Your hard work paid big dividends for the Cats. Your clutch catches when we needed them the most kept us alive many times. Hope to see you on Sundays.</p> <p>We'll miss you.</p> <p>[This message has been edited by Deeefense (edited 11-17-2002).]</p> <p style="text-align: right;">IP: Logged</p>

Aaron, I respect you so much for the great receiver you are (I'll never forget some of those unbelievable catches) AND the person you are. How we will miss you!
